Potton Firm - Middling, 8 78c-Sales Yesterday, 2000 Bales.

The money market remains quiet at 8 per cent for bankable paper. Local securities steady. The cotton market was firm; sales, 2000 bales. The New York spot market closed steady, middling 9 c. Of the future market C. L. Greene & Co.'s report on cotton says: "The market lost the advance of yesterday, a decline in silver and some seeking for profits by local scalpers, and the absence of further covering, being the prime cause. New business is generally moderate, with the local trade perplexed, yet the bulls appear to retain confidence enough to put many engagements forward at wide differences. New crop deals are limited and careful." At New Orleans spots closed steady, middling 8le; futures steady and 2 to 4 points lower. The Liverpool spot market was reported firm and in fair demand, middling 5id; futures steady and 1-16d lower, April 5.04d.
